Mayor Peterson, the previous Treasurers in the reverse order were, Ron Cundick, Wayne Peterson and Joe Allen. They all served in a volunteer manner and were members of the Town Council while they were the Treasurer. Mayor Peterson, we need to set a Public Hearing date, the proposed Public Hearing date would be two weeks from tonight on May 25th, then on June 8th the approval of the Final Budgets.

Town Council discussed the highlights from the 2016-2017 Tentative Budgets. The following amendments were made to the General Fund expenses:

1. \$600.00 added to sanitation for Dumpster Days to compact the trash in the Dumpsters.
2. \$1500.00 added to highways and streets for gravel on the east side of Cherry Lane.

Mayor Peterson asked for a motion to approve the Tentative Budget amended with an additional \$600.00 that will be put into compaction services for Dumpster Days and \$1500.00 for road maintenance and repair; which will increase the projected surplus that would be brought in to \$15,543.00.

c. Treasurer Appointment Ratification.

Mayor Peterson, what was circulated was the resume for Ralph Reid. Ralph is here with us this evening. Ron Cundick and I were the interview committee and we both felt like Ralph was an extremely qualified individual for this position and beyond with the experience he has had. I was hoping Ralph could give a brief summary of his background. Ralph Reid indicated he is a Certified Public Accountant and discussed his work experience.

e. Discussion and possible action on the \$20,000 2016-2017 CLG Grant.

Mayor Peterson, this grant is a 50/50 match. There is a State of Utah contract that you will see there. The department of Heritage and Arts administers this on behalf of the National Park Services. The reason we are looking for approval here is that we have to front 100% of the cost and then they will reimburse us for 50% of the cost, up to the maximum of \$10,000. Then we as the Town are obligated to maintain the improvements for 5 years.

Mayor Peterson asked for a motion to approve the 2016-2017 CLG Grant that we have been awarded.

b. Zoning Agreement for the Grapevine Wash properties.
Mayor Peterson, the documents are being finalized for a Zoning Agreement that would also include a resolution of the outstanding law suit. It is also going to set aside the previous Development Agreement. Copies of that are expected to be available early next week at which time they will be posted on our website and made available to the public.

Councilmember Rohr left the meeting at 7:55pm.

c. Open Public Meeting Act Training.
Mayor Peterson showed a video by David Church on the Open Public Meeting Act to complete this year's training.

10. Citizen Comments: None.

11. Staff Reports:

Mayor Peterson, short term rentals have been a hot topic. Turns out here in Leeds, we stopped with a Planning Commission decision on it. The State Legislator almost took up the topic; however, the person who was sponsoring the bill agreed to back away and allow the Utah League of Cities and Towns to gather some more information with the understanding that there would not be a new rush to implement short term rental prohibitions. I was in a meeting earlier today where there is a thought that maybe there is a ways to address the short term rental in communities limiting it, more than prohibiting it. There are going to be some draft suggestions as to how that could be done, circulated by some of the other Towns that are looking into this. I will keep people up to date with regard to it.

12. Adjournment:

Councilmember Blake adjourned the meeting.

Time: 8:25pm.
