Kim Hafen the Clerk/Auditor from the County indicated on Wednesday, November 8<sup>th</sup>, 12 ballots were received at the County from the Leeds Post Office that were postmarked November 9<sup>th</sup>. His first thought was they were supposed to be date stamped the 6<sup>th</sup>, and the stamp was upside down with a 9<sup>th</sup>. They got in contact with the St George postmaster, who followed through with some of this for them, and that is the case with those twelve ballots. A further complication with that is, they were able to identify 8 of those that they could recognize the November 9<sup>th</sup> on them, the other four, the stamp is placed in such a way, they could not be identified, but they assume where they all came together with the Leeds postmark that they were all mailed on the 6<sup>th</sup> postmarked the 9<sup>th</sup>.

Kim and Councilmembers discussed it and Kim indicated Councilmembers would have to decide whether they would want to count the ballots or not.

Councilmember Rohr made a motion to accept the 12 ballots received on Wednesday the 8<sup>th</sup>. 2<sup>nd</sup> by Councilmember Cundick. Motion passed in a Roll Call Vote.
